PERLE FAINAS

Graduate in Digital Politics | French/English Speaker

RESEARCH INTERESTS

Highly motivated Digital Politics Graduate with years of experience in research, seeking a position in the fields of digital analyst, public policy & research. I possess a strong work ethic and enthusiasm, aiming to leverage the skills obtained during my time as a student. Skilled in research methodology, qualitative methods (interviews, case studies, textual analysis), data analysis (R, Python), and academic writing. Extremely motivated and passionate. Relevant papers & thesis available on my [blog](#).
